Office Opening Hours

Monday – Friday 9:30am - 12:30pm

Lynn Clarke - Parish Clerk/RFO

December 2020

Christmas Closing.

The Parish Council office will shut on the 24th December 2020 and reopen on 4th January 2021. For all emergencies and for items that need urgent attention, please contact Parish Council Chair Julia Clarke on 07464120377.

The Hardship Fund.

This fund has been launched to help those who may be suffering because of the current pandemic. St Dennis Parish Council are working alongside St Stephen Parish Council administering this project for St Dennis and Nanpean Community Trust. If you are running low on cash and need a little assistance with food bills, please contact us. There is a short application form, and we would require proof of your address to ensure that you are eligible. If you cannot complete the form online, we can arrange to post them out to you.

The Small Grants Funding

St Dennis Parish Council has pleasure in being able to award small grants to organisations whose work benefits the Parish of St Dennis and its residents and welcomes applications for funding from qualifying bodies. This year, with most events cancelled, we have not received the usual level applications. We know that there are several good causes who may benefit from a small grant, which may benefit the residents. Application forms can be found on our website.

Litter Picking Equipment Available for Loan.

Through the restraints that have been imposed recently, many of us are finding ourselves at home with extra time. Why not use your free time within your daily exercise to benefit the village? We have litter picking equipment available and after a completion of a short form. You could actively improve the appearance of the village whilst on your daily stroll. To find out more contact the office.

The St Dennis Parish Council would like to wish everyone a Merry Christmas and Happy and A New Year Full of Blessings, Success and Good Health.
