Local Heritage

Cornwall Council is looking for suggestions of physical items of historic or local importance in St Dennis parishes. The Parish Council has been asked to identify valuable aspects of the past which have interest in the local area. It may be an object, building, landscape or archaeology; however, it cannot relate to anything which is not permanent or is movable such as ships or trees.

If you have suggestions of sites that could be recognised as a Local Heritage Listing, please contact the Parish Council office. Thank you.

Thanks

Thank you to Trevor Rabey for taking photographs around the Parish. These will be added to the revised Information Boards shortly.

Playing Field

Soon CCTV will be installed at the Playing Field. This is to prevent any vandalism occurring.

Consultation: Dunstan Close and School Lane

The Parish Council has received numerous complaints about the overgrown area between Dunstan Close and School Lane. Therefore, we are undertaking a parish consultation to gauge people's views on the area. Please go to:
